# OUR COTTAGES

KIKORONGO ACCOMODATION A

# PREMIUM TENTED COTTAGES

---

Our Luxury cottages are located at the highest point of the Kikorongo escarpment on Mpondwe road.

The cottages capture a wide view of both Lake Kikorongo and Lake George and the vast greenery of Queen Elizabeth National Park on the opposite side of the hill.

Our property is divided into two sections; the sunrise and sunset wing and our guests are placed in a cottage of their preference.

Each cottage is surrounded by a well maintained bush with unique views of the lakes and surrounding landscapes which provides a customized experience for all our guests.

The cottages have Lukhondo names representative of the Kasese Region and the Rwenzururu Kingdom; Kambere cottage for the honeymooners, Thembo Cottage, Busomungu, and so much more.

This accommodation option is ideal for honeymooners, families, professional photographers and writers.

KIKORONGO ACCOMODATION B

# INTIMATE LUXURY COTTAGES

---

Our Edge intimate luxury cottages, as the name suggests are placed at the edge of the landscape.

The cottages are much smaller in size for guests that prefer more intimate spaces and are secluded at different points of the property.

Our client is assured of complete privacy and alone time with the birds that surround these cottages. One should expect to catch a glimpse of the shoebill stork, Saddle-billed stork and many others that nature can present.

The views of Lake Kikorongo and Lake George are still properly captured on the balcony of these cottages and the sunrise is especially glorious.

The accommodation option is especially ideal for birders, couples, writers and photographers and travellers that prefer not to hike to their accomodation.
